

Lesson 2 – Meet the Heroes

Name: _____

List diseases you have heard of that are caused by viruses.

Write the definitions of each term in the table.

Cowpox	
Disease	
Eradication	
Hypothesis	
Infection	
Inoculation	
Smallpox	
Vaccination	
Variolation	
Virus	

Read the passage about Edward Jenner. Explain in your own words how Edward Jenner's work with smallpox led to the eradication of this disease.

Which Vaccine Heroes did you choose to invite to your party?

Research your heroes in more detail. What years did they live? What did they discover? When and where did they do their research? Add any other important facts about them that you find.

GUEST INFORMATION

Write your guests' names on the lines and then write three important facts about each guest.

EXAMPLE INVITATION

Print this out and tape or glue it to a card to create your invitations. Alternatively, make your own invitations.

TO: _____

*You Are Hereby Invited to Attend the
Vaccine Heroes Honorary Dinner!*
