

*Unit 2: Lesson 2 – Development of Vaccines***Activity 1: Types of Vaccines Presentation Worksheet**

Name: \_\_\_\_\_

<b>Inactivated Vaccine</b>	
Describe how this vaccine is made:	
Advantages:	Disadvantages:
Examples of vaccines made this way:	

<b>Weakened Virus Vaccine</b>	
Describe how this vaccine is made:	
Advantages:	Disadvantages:
Examples of vaccines made this way:	

<b>Recombinant Vaccine</b>	
Describe how this vaccine is made:	
Advantages:	Disadvantages:
Examples of vaccines made this way:	

<b>Toxoid Vaccine</b>	
Describe how this vaccine is made:	
Advantages:	Disadvantages:
Examples of vaccines made this way:	

<b>Conjugate Vaccine</b>	
Describe how this vaccine is made:	
Advantages:	Disadvantages:
Examples of vaccines made this way:
