

Unit 2: Lesson 3 – Types of Vaccines and Immunity**Activity 1: Types of Vaccines**

Research the vaccine type assigned to your group by your teacher to learn the method used to create that type of vaccine, its advantages and disadvantages, and some examples of that type of vaccine. Based on your research, create a presentation to share your findings with the class. Use a presentation method as directed by your teacher. When other groups share their presentations, complete the Types of Vaccines table below.

Vaccine Type	Method	Advantages	Disadvantages	Examples

Vaccine Type	Method	Advantages	Disadvantages	Examples
